

FIBER CABLE MARKER

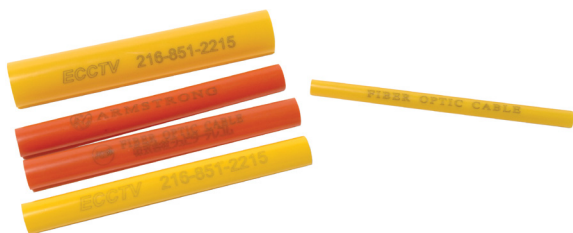

The Multilink cable markers utilize a simple and quick installation that allows the installer to simply wrap the marker around the selected cable without the need for special tools or adhesives. We also offer label tags for cable identification.

FEATURES & BENEFITS

- Both the label tags and the cable markers offer custom engraving for easy identification in the field
- The cable marker's UV stabilized body will not degrade in outdoor conditions
- The cable marker boasts a 20 year pro-rated warranty on the plastic body and a lifetime warranty on the engraving
